FOR IMMEDIATE RELEASE

The La Crosse County Democratic Party has launched a new web site at www.laxdems.com. Vicki Burke, Co-chair of the LCDP, commented that “the site will be informative not only for La Crosse Democrats but also for others who wish information on elected officials and those running for elected office.”

In keeping with the principle of encouraging as many people to vote as possible, the site includes information on voting places and procedures.

Congressman Ron Kind will be the principle speaker at the La Crosse County Democratic Party General Meeting to be held Monday, August 17, at 7 p.m. in the Port O’Call Room in Cartwright Center, 1724 State St., on the UW-L campus. Mike Tate, Chairman of the Democratic Party of Wisconsin, will also speak.
